

# Oak Hills Newsletter

FEBRUARY 2010

## January Board Meeting Notes

Oak Hills' Board meeting was held January 14. Donna Hudson presented reports for expenses and profit and loss for December and the fiscal year. There are currently 119 members.

A general budget for the golf course and pro shop were presented to the board with discussion on how to increase revenue.

**The next regular board meeting will be February 11 at 6:00. We encourage everyone to attend.**

## Golf Shop News

The month of January has been a cold and wet one. There have been very few days that were suitable for play. This week is supposed to warm up and hopefully melt away the snow so we can get back on the course.

## Superintendent's Corner

Remember to stay off the greens when they have snow on them. Footprints in the snow will kill the grass just like if it were frost. We have had someone on #4 green sledding over the weekend; hopefully there will not be any harm done. If you see anyone on the course please tell them to stay off.

**Congratulations** go out to Harold and Melba Hooper on the birth of their first great grandchild Taylor Nicole Hooper born September 15. Better late than never!

## Sick List

We still seem to have a long list of sick folks that should be included in your prayers, visits and card sending efforts.

Larry Griffin is now in a nursing home setting in Clarksville.

Lowell Herd is recovering from knee replacement surgery.

## In Sympathy

Our thoughts and prayers go out to the family of Kathy Crabtree on the recent passing of her father Ernest last month.

Also remember Kay Jones on the passing of her mother in December.

**Hole-in-one** Billy Hardcastle had a hole-in-one Thursday January 28 on hole 4. A 90 yard shot using a driver, I mean 9 iron, witnessed by Harold Hooper, Harold Greene, and William Justice.

## Donald's Divots

In the next few months we want to get all of our members more involved in the events we have, both on the golf course and inside. We are wanting to start a game night on Saturday night in the near future. Discussions are ongoing about activities that people would like to do. If you have any suggestions and are interested, please say something to me or Amy.

Also we are planning a member-guest tournament in the month of April. This tournament will be used to showcase of golf course in hopes of getting new members, so please get someone and join us for a day of fun. The details of the tournament will come out in next month's newsletter and will be posted in the clubhouse and on the calendar. Once again, if you have any suggestions feel free to say something.

Thanks,

Donald Bradshaw
