

Oak Hills Newsletter

JANUARY 2010

December Board Meeting Notes

Oak Hills' Board meeting was held December 8. Donna Hudson presented reports for expenses and profit and loss for November and the fiscal year. There are currently 125 members.

The board asked Larry to get an estimate for repairs on the tractor used for mowing the roughs. Voluntary donations are being taken in the pro shop to help cover the costs.

Larry also discussed repairing #17 washout area around the dam with concrete remnants.

The next regular board meeting will be January 14 at 6:00. We encourage everyone to attend.

Golf Shop News

The 2009 Oak Hills Christmas party was deemed a success. It was attended by several of our members who enjoyed the great food and wonderful fellowship. The dirty santa part of our evening was visited by our own Hootie Burton in a pair of Christmas boxers. A good time was had by all, so be sure to keep an eye out for other events at the club, 'cause you never know what will be happening.

Superintendent's Corner

The golf course is going through changes every day so be sure to check in the pro shop before playing.

Congratulations go out to Sam Hulse on the birth of his new grandchild.

Sick List

We still seem to have a long list of sick folks that should be included in your prayers, visits and card sending efforts.

Dave Scottorn had shoulder surgery and is recovering.

Ms. Melba Hooper is recovering multiple back surgeries. This is Harold's wife and Lefty's mom.

Larry Griffin is now in a nursing home setting in Clarksville.

Lowell Herd is recovering from knee replacement surgery.

Earnest Crabtree (Kathy's father) is experiencing declining health issues.

Donald's Drift

Hopefully everyone had a Merry Christmas and Happy New Year. We are now ready to start on a great 2010. I have been here for 3 years now and I am hoping that this year will be the year that we have maximum participation from our membership. In those 3 years our membership has fluctuated between 125 and 145. Our ideal membership would be 150 and above. In the upcoming months we are going to have some events in an effort to increase our membership. We want everyone to enjoy these events and bring someone with you to show off our facilities. Keep an eye out in the newsletter and the pro shop for upcoming events.

Economic times has placed hardship on many people and many businesses. I want to take this time to thank everyone for their continued membership and support as we go through these hard times. If you have gotten behind on paying your dues for any reason, come talk to me and we will work out something to get you back on schedule so you will be ready to play golf when the weather breaks.

As noted earlier in the newsletter we are taking donations to help repair a tractor that is used every day in the summer. Any money that you can give would be greatly appreciated.

If anyone has suggestions or ideas they would like to discuss, I would love to hear from you.

Thanks

Donald Bradshaw
