The work on #16 green has begun. Our own Billy Osborne is doing the work, helped by many of our members. Please watch as you play the course to see if construction is going on. The work will be done in time for the warm weather.

We will be aerifying the greens soon so be sure check for signs to see when the course will be closed.

Donald's Divots

Good weather is on the way, so get out of the house and bring a friend to play golf. As you see we have a few tournaments scheduled in the next few months. Our opening tournament is a member guest on April 17. We need everyone to bring someone to play that day. There will be other activities going on in addition to golf, so hopefully we will get more people to join us on that day. Everyone is encouraged to participate in all the tournaments we have.

We need everyone's assistance in attracting new members, and the member guest tournament will hopefully help with showing people what we have to offer. So once again, **bring someone and play April 17.**

Thanks

Donald
