APRIL 2010

## March Board Meeting Notes

The board discussed options for repair of the Kubota tractor. They decided to get a used engine from someone in Indiana. The bad news is that the engine does not fit our tractor. We are looking for new options if anyone has any ideas.

The next board meeting will be held on Wednesday, April 7 at 6:00pm.

## Golf Shop News

It looks like spring has finally gotten here and we are having a few great days to play. Please be observant of other people playing and let faster groups go through. The Men's Golf Assoc. has started their dogfight on Tuesdays at 3:00 & 5:00pm. On Thursdays a scramble starts at 5:15. Fridays the couples play at 5:00pm. Please join in any of these activities.

## Superintendent's Corner

The work on #16 green is finished except for laying sod in places around the green. Looks like everything turned out great. Please do not hit out of the straw, use the drop zone short and right of the green. We are also waiting for sod for #16 ladies tee and #2 ladies tee.

To all members who are storing carts here, please clean the area around your golf cart. Thanks.

## In Sympathy

## Donald's Divots

I am sitting in the office wishing I were outside playing golf with the rest of our members. It is Wednesday, March 31 and it is beautiful outside. April is going to be a great month for Oak Hills golf course. The grass will start to green and the birdies will start falling in the hole. As you see by the tournament schedule we are going to be busy for the next few months. Find a team and play in as many tournaments as possible. **We are having the first Member-Guest since I have been here,** and I am hoping that you will help it be a success. We are going to have goody bags for all the participants and prizes to be given away during the day, including a free round coupon for all the guests. **It starts at 12:30 and only costs \$25 dollars a person. So please get a friend and join in the fun.**

Thanks

Donald
