May Board Meeting Notes

The board meeting was held on the 12th of May. It was brought to the board's attention that some of the club rules are being broken on a regular basis. The board decided to monitor this problem over the next month and then choose whether to add a monetary fine to the offenders. Please pick up a copy of the notice in the pro shop.

It was also brought up that there are a lot of people that have red or orange flags on their carts. These flags are for people with a handicap. If you need to use a red handicap flag please come before the board at the June board meeting to get it approved. These permits will need to be renewed in June of each year.

Due to the extensive flood damage to the dam and to the 13th and 16th green, in order to do the needed repairs and to start saving money to pay the property taxes, the board decided we need to have an assessment. The figure that was decided upon was \$200 to be paid over 3 months.

Donald's Divot

If the last few days are any indication of the weather, we better be prepared for a very hot summer. So make sure to visit the proshop to get plenty to drink. Also, please don't fill up your coolers or wet your towels out of the water coolers on the course so there will be plenty of water for everyone to drink.

Over the weekend I made a trip to Los Angeles to watch my son play basketball. It was a great trip and we enjoyed it thoroughly. I am sorry I wasn't able to be involved in the Memorial Day tournament. I want to thank everyone for playing and supporting the club. I also want to thank Billy Gregory and Larry Morgan for organizing the tournament. By the way I was like a fish out of water in LA.

Update on the pool: Sorry for it not opening on time, but we had a problem with the pump. It is hooked up now and hopefully when you receive this it will be open. Call the proshop to make sure.

Thanks
Donald
