

# Oak Hills Newsletter

JULY 2010

## June Board Meeting Notes

It was brought up at the board meeting that some outsiders were allowed to play in the Memorial Day tournament. It was voted to only let out of town guests of members play in our holiday club tournaments.

## Golf Shop News

I would like to thank everybody for their efforts in not violating the club rules this past month. A continued effort will be appreciated.

The Tennessee Golf Association made a stop at Oak Hills Golf Course on Thursday, June 24. Seventy two players participated in the event, which had players ages 8 – 18 from all across the mid-state. Several of our members or former members finished with good scores. Hunter Clary and Jacob Whitman tied for 1<sup>st</sup> in the 14-15 division, shooting a 7 over par 79. Hunter won on the first hole of the playoff. Bobby Scott's great nephew, Michael Barnard, finished 2<sup>nd</sup> in the 10-11 year old division by shooting a 40 over 9 holes. In the girls action Eva Jones finished 3<sup>rd</sup> with a 49 in the 11-14 age group. Rebecca Jernigan finished 4<sup>th</sup> in the 15-18 age group by shooting a 94. We would like to congratulate all the people who played in this tournament and hope they will return next year. I would like to thank everyone that helped to make this day a success.

## Tournament Schedule

**July 3** Scramble 9:00AM

**July 10** Glo-ball 5:30 PM

**July 17** Danny Ramsey Memorial Tournament  
8:00 AM

## FROM THE GRILL

In an effort to keep the grill open year round, I would like to obtain suggestions from the members concerning the foods we serve or the hours we are open. Please bring any suggestions that you have to me or Amy in the proshop.

## Superintendent's Corner

You might have noticed that our greens are under a lot of stress from the record-breaking heat and humidity. Because of this, Larry has been having to water the greens a little heavier. Please remember to fix ball marks on all greens.

## THANKS

Thanks go out to the Ladies Golf Association for the money that they donated to do the landscaping around the clubhouse and the golf course.

Thanks also to Sharen Bellar and her family and friends for having such a wonderful tournament with the proceeds going to help fix the dam, the work in process on hole #13, which was Charlie's hole, and purchase of the swimming pool motor.

## In Sympathy

Danny Smith's wife Jackie passed away on Thursday June 10. Please keep Danny and his family in your thoughts and prayers.

Also a friend of the golf course and a frequent to the Friday night couples game, Bobby Dale Dorris, passed away suddenly on Tuesday, June 29. Our thoughts and prayers go out to his wife Shelia and the rest of his family.

## Hole In One

Tony Bernestine had a hole in one on number 13 using a 9 iron on Wednesday, June 30. Thank goodness he is too tight to put his money in the jar. Congratulations Tony.

## Donald's Divot

I am sure a lot of you have heard rumor that I am moving across town, it is true. I will be moving to the Brentwood area at the end of this month. There will be an adjustment that I will have to make with driving 30 minutes instead of 3. The reason for my move is that our son, Craig is changing schools and in order for him to play basketball at CPA next year we have to move. We intend the move to be temporary. There should not be any changes that have to be made because of this move. Only thing that I ask is that I will need all the help I can get to move everything. The work on #16 green has been completed as of July 1 and #13 should be finished by the time you receive this newsletter. Thanks to Billy Bob on his great work.

Thanks

Donald
