

# Oak Hills Newsletter

AUGUST 2010

## July Board Meeting Notes

The board met on Wednesday July 14. The main thing that came from the meeting was that children under the age of 18, or that are associated with a school golf team, could not personally accept money from the scrambles we have.

This is the final month for assessments to be paid, so if you haven't, please try to pay the assessment in full by the 15<sup>th</sup> of August.

## Golf Shop News

I hope everyone has noticed that the back room has been painted a new color. It was painted by the Shouse family in exchange for having their daughter's wedding. If you haven't looked at the room please take a look, it is a great improvement.

Thanks to everyone who came out on a hot and humid Saturday evening to enjoy the first glo-ball that we have been able to have in a couple of years. It was a great night for fun and fellowship. Danny Smith, Mary Jane Russell, Patrick Sons, and Pat Holbert were on the winning team, thanks to Mary Jane holing out from 80 yds for an eagle on #9. The team of Bill Vernich, Sarah Jones, Steve and Debi Jones, and Tim Busby were second. If you have never played in a glo-ball tournament, talk to someone that played and you will be sure to play in the next one we have.

## Tournament Schedule

**Aug 28 Habitat for Humanity**

**Sept 25 Glo-Ball Tournament**

## Superintendent's Corner

Our greens are slowly showing signs of recovering, but they still have a long way to go, so please remember to fix all ball marks that you see on the greens. Also, be sure to check in the pro shop to see if Larry has sprayed the greens and may need you to stay off of them for a while.

## WELCOME

We want to welcome our new members to Oak Hills. Oscar Daniel, Scott Ellis, Todd and Liz Vickers, Galen Allen, Matt Driscoll, and Brandon Jarrell. Please make sure to welcome these new members to our course.

The swimming pool has been a wonderful haven for lots of people during the hot days of June and July. There are still a few days left to swim before the pool closes for the year.

The last day to swim at the pool is Sun., Aug 15.

## In Sympathy

Our condolences go out to the family of a former member and friend Charlie Herndon on the passing of his son Roger. Roger passed away on the 25<sup>th</sup> of July.

## Hole In One

July was a lucky month for two of our members. Bobby Scott had a hole-in-one on the 17<sup>th</sup> during the Danny Ramsey tournament on hole #16. Sad to say he was in the hole in one pool, so he was the recipient of a lot of money. If he hasn't bought you a drink yet make sure he does.

One of our high school golfers, Chris Holbert, aced the par 4 #15 using a driver. It was his first ace of his career. It was witnessed by Jacob Whitman and Garin Hooper. The group was so excited that they quit the round and came directly to the clubhouse to tell everyone. Congratulations to both these young fellows on their great shots!

## Donald's Divot

I hope everyone has enjoyed the summer thus far; as you are sweating coming down #18 fairway, just remember what you said this past January and February. "I would lots rather it be hot than cold", "I am sick of cold weather", "I can't wait till it gets hot". Well we got our wish, it is hot. Be sure to be careful doing anything outside as the heat can come on you quick.

We are coming upon another school year and that means it is time for high school golf. Last year's GHS golf team went to the region tournament and are expected to go that far if not farther this year. They had their first home match here Tuesday against Merrol Hyde. Look in the pro shop for results and schedule of matches the rest of the year. The team is coached by Todd Williamson, who is a member here, and Helen Williams. Four of the players on the team are members at Oak Hills, Jacob Haley, Chris Holbert, Garin Hooper, Andrew Jansen.

We have four other members that play golf on school teams, Rebecca Jernigan, Jacob Whitman at Goodpasture and Eva Marie Jones at Davidson Academy. Congratulate these great young men and ladies when you see them.
